

event factsheet

overview

LIMA started in 1991 and is now the premier destination for aerospace and maritime manufacturers targeting the Asia Pacific markets in the defence, enforcement and civil sectors.

For LIMA 2011, centered around 4 key initiatives:-

- i. Strengthening the existing programmes for the defence maritime and aerospace sectors
- ii. Introducing more business activities such as buyer-supplier forums and business matching programmes
- iii. Reinvigorating the commercial sector for LIMA by attracting more buyers from a varied cross section of industries.
- iv. Introducing an Unmanned Vehicle pavilion and Helicopters and Rotorcrafts as a focus area.

Domestic and Regional Airlines
Low Cost Carriers
Civil Aviation Authorities
Airport Authorities

why exhibit

LIMA puts you at the Centre of the World's Fastest Growing Market

High Impact, High Value Networking

A Varied Promotions

Extensive Media Coverage

key segments

Maritime and Aerospace

Maintenance, Repair & Overhaul

Manufacturing

Training & Simulation

Unmanned vehicles

Airports

Helicopters

Business Jets

General Aviation

market reach

LIMA is an ideal platform for companies focusing on **ASEAN, India, China and the Middle-east**. LIMA delivers your clients to you to specialized invitations and visitor promotions programmes

networking platforms

Tailored Delegations Visits Programmes

Dedicated Maritime & Aerospace Conference

B2B Meetings

Investment opportunity forum by MIDA

Helicopter Focus Seminar
ASEAN Procurement Briefings

Technology Innovation Workshops

Malaysian Aerospace Industry Development Forum

we are supported by

visitor profile

We will also be inviting the following visitors via our extensive visitor promotions programme.....

Defence Contractors and Suppliers
 Senior Members of Defence Research Establishments
 Corporate and Private Aircraft Operators
 Airport Project Teams
 Architectural practices
 Consultancies
 Cargo transportation services
 Transport logistics service agencies
 Airline charters & taxi operators
 Insurance agencies
 Aviation tourism
 Aviation clubs
 Flying schools & educational services
 Training institutes & Aviation engineering colleges

live demonstrations!

Aerobatic display
 Boat demonstrations
 Unmanned vehicles demonstrations
 New innovation demonstration

LIMA '09 in brief

Exhibitors.....	458
Countries.....	25
Delegations.....	210
Media.....	400
Aircrafts.....	54
Warships/Vessels.....	99
Trade Visitors.....	33,000
Public Visitors.....	38,000

exhibit profile

- Air Charter / Carrier Services
- Air Freight / Cargo Carrier
- Air Logistics / Supply Chain Management
- Air Traffic Control Systems
- Aircraft Brokers, Dealers & Distributors
- Aircraft / Airframe Manufacturers
- Aircraft Interiors – Equipment and Services
- Aircraft Parts & Accessories
- Airlines / Aircraft Operators
- Airport / Terminal Management
- Airport Systems / Infrastructure / Services
- Avionics & Radar Systems
- Catering Equipment /Services
- Chemicals / Paints / Coatings
- Civil Aircraft Design & Engineering
- Component Engineering Repair & Overhaul
- Composites / Aerospace Materials
- Consultancy / Agency
- Engines Manufacturers / Parts Components
- Financial / Leasing / Insurance Services
- Navigations systems and softwares
- Propulsion systems
- Radar
- Simulation & Training
- Sonars
- Surface platforms, submarines & submersibles
- Satellite Navigation / Imaging / Surveillance Systems
- Torpedoes
- UAVs, USUVs, UUVs and RPVs
- Underwater systems
- Weapons & Sensors
- Ground control systems
- Ground support equipment, NBC Contamination Systems
- Fixed Base Operators / Fuel Suppliers
- Flight Planning & Weather Services
- Flight Training / Schools & Services
- Government Agencies / Regulatory Organisations
- Ground Control Systems
- Ground Support Equipment /
- Helicopters
- In-flight Entertainment & Telecommunications
- Maintenance, Repair & Overhaul / Engineering
- Media / Publications
- Medical / Rescue
- Safety, Survival & Emergency
- Security Systems / Services – Aircraft / Airport
- Software Systems, Services & Applications
- Simulators / Training Equipment & Services
- Space / Satellite Equipment & Services
- Systems Manufacturers
- Testing Equipment & Services
- Trade Associations & Organisations
- Airborne Platforms
- Airborne systems and equipment
- Aircraft maintenance services equipment
- Aircraft systems/components / parts
- Avionics Command & Control systems
- Communication and data link
- Data & Intelligence systems
- Decoy systems
- Diving equipment
- Electronic warfare systems
- Helicopters
- Integrated combat systems
- Maritime patrol crafts
- Missile/weapon systems
- Reconnaissance, search aircrafts, surveillance Sensors
- Simulators & training equipment / services
